The Congress will be held on Friday 1 February 2019, at the Congress Centre “N. Germanos”, Hall A, at the venue of Thessaloniki International Exhibition Centre – HELEXPO, during Zootechnia 2019: 11th International Fair for Livestock & Poultry.

Invitation

We have the pleasure to invite you on the 7th Pan-Hellenic Congress in Technology of Animal Production, which **will be held on Friday 1 February 2019, at the Congress Centre “N. Germanos”, Hall A, at the venue of Thessaloniki International Exhibition Centre – HELEXPO, during Zootechnia 2019: 11th International Fair for Livestock & Poultry.**

The 7th Congress is a continuation of previous Congresses that were successfully organized at Arta (2006), Larisa (2008), and Thessaloniki (2011, 2013, 2015, 2017) by the Divisions of Animal Production, Departments of Agricultural Technology, of the respective Technological Educational Institutes (TEI) of Greece.

The duration of the Congress will be one day and it will include presentation of papers relevant to Animal Production. A part of the papers will be orally presented, while the rest will be presented in the form of posters.

We hope that you will respond to our invitation by submitting scientific papers, as well as the relevant registration form, and we will have the pleasure to welcome you to the Congress. Thus, you will have the opportunity to participate to the Congress sessions, as well as the Zootechnia International Fair.

The 7th Pan-Hellenic Congress in Technology of Animal Production is an opportunity for the communication of the research work taking place in the Divisions of Animal Production, Departments of Agricultural Technology of the TEI, but also in other Universities and Research Institutes that are working within Animal Production sector.

Respectfully
